Subject: Eight mile Road improvement

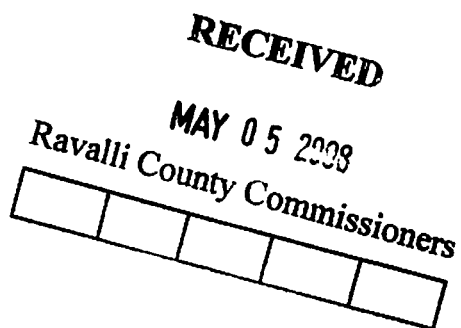

To whom it may concern:

My name is Jeff Higgins and I live at 1084 Jenne Lane in Florence. That is just off what some people would call Eight mile road. I refer to it as a goat path. It is in desperate need of repair. I feel it is a danger to all that drive it with everyone weaving and bobbing to avoid the gapping sink holes that plague it. It needs to be rebuilt....not just the holes filled in with asphalt....completely rebuilt. I support rebuilding it and whatever that takes.& nbsp; If that includes subdivisions then so be it. People should be able to do what they want with their land.

I do not support the version of zoning that the County Planning/commissioners are attempting to cram down the throats of Ravalli County citizens.

Thanks,

Jeffery C. Higgins
